Roles:

Steve Chesley (Principal)
Klancey Haley (Secretary)
Jaime Saxena-voted chair *
*Sara Valentine was voted in by council in May 2015, but has moved and won't be returning to LN this school year.

Site plan: 10/20: Present the plan for acceptance

Review of the plan by chairperson

Reviewed plan from last year

There is a math goal, ELA goal

Last year, math goal was using Eureka Math. Teachers wanted to focus on pacing of curriculum & all strategies.

ELL: Language learners/intervention/ language objectives/academic vocabulary

School Climate goal: RTI Process/attendance goals & average attendance at school events. Community engagement facilitator

Landels site plan 16-17

Academic achievement plan: ELA

ELA: Implementation,(Benchmark Advanced) strategies, what are our action steps
-What does the staff need: Time to be trained, collaboration with grade level team & planning days.

RTI: New program and teachers will need training. Teachers were not able to be trained in August because of connection issue from the district. Teachers have not gotten a set date on when they will be trained for RTI.

Math: Year 2 of Eureka Math: Pacing & timing of lessons

Teachers were trying to differentiate with students and move through the curriculum. Teachers have a better sense of what materials we have and better understanding of the lessons.

ELL: Closing the achievement gap

Goals:

Newcomer class

EL teacher: ELD time, intervention

What strategies do the teachers use throughout the day to close our gap?

Newcomer class will begin as soon as CELDT finishes up

Suggestion: CHAC group noon time classes (Just for Kids)

Newcomer class buddy –peer buddy

Professional learning community

Over the summer, 6 teachers (Darrah, Haley, Carpenter, Pfeffer, Bautista, Galazzo) came together with Mr. Chesley and learned about Professional Learning Community. At the August staff development day, the teachers presented the staff with a powerpoint, showing what they learned and goals for our staff.

How the teachers collaborate: What makes us a strong team, we as a staff work together for the better of the student learning.

School climate: Focused on attendance and family engagement (new numbers). Feedback from parents and ELAC

Future meetings:

First Thursday of each month

Next Meeting: Thursday, October 6, 2016 @ 3:30pm-Room 26

Steve will post agenda in window:72 hours ahead of the meeting (translated as well)
